

WDSC Newsletter November 2015.

To all members (including Prospective 2016).

We have had a very successful season for 2015.

We had 5 Junior teams make finals & our 18s Div 1 & Womens Div 3, win their respective leagues. Add to this, our Amateurs Prem 1sts, coming 2nd in their league & winning their Cup Final. Along with 3 players from the Amateur squad, representing Western Australia in the State Squad.

All trophies & awards were presented at our Junior trophy day & Seniors night. Both events were well attended & congratulations to all that received their awards.

The committee would like to advise the following, in regards to Junior Registrations for next season. The main points, are as follows.

1. NO Pre Registration & Pre Set teams. There were inconsistencies across the board, in both players & teams, not playing in their appropriate age groups. Their needs to be a fair & correct "allotment", of players & teams, within the club and this needs to be controlled by committee (Registrar & Coaches Coordinator), in consultation with the respective coaches.
2. No teams to be registered, until we have a commitment from Coaches. Good news, we have a commitment from Coaches across the board & we are "Full Steam ahead" in regards to this. Please contact Andrew Whalley (Coaches Coordinator), if you would like to get aboard in this role & he will best answer your queries.

The other matters, that will be addressed, are listed below, in point form, from Andrew.

Registrations will be opening (on line) this coming January & will be notified on the website.

We are also in the process of "Locking in" suitable grounds for both "off season & pre season" training. This will Not be Butlers, but within close proximity, as the council, likes to give Butlers reserve, the best possible chance to recover from winter sports. Once locked in, we will notify coaches, of days & times that the grounds are available.

Senior Registrations, are managed by Dermot O'Sullivan, in conjunction with the Senior Managers. Please refer to the relevant manager, Registrar (Dermot), or contact the club & you will be put in the right direction.

Your Sincerely
Athan Tsirigotis
President WDSC
